Dear Customer,

We have immense pleasure in introducing complete range of Automotive Poly V-Belts along with our existing range of Raw Edge Cogged Belts.

One of the pioneers in the automobile industry, We enjoy neumro uno position in the replacement market.

We present a complete range of belts for Telco, Ashok Leyland, Hindustan Motors, Mahindra & Mahindra, Swaraj Mazda, Eicher, Escorts, Maruti Udyog Limited, Fiat, Hyundai, Daewoo, Ford, Honda, Mitsubishi Lancer, Volvo etc.

The belts can be used under different applications such as Truck section, Car section, Two wheelers and Machinery section.

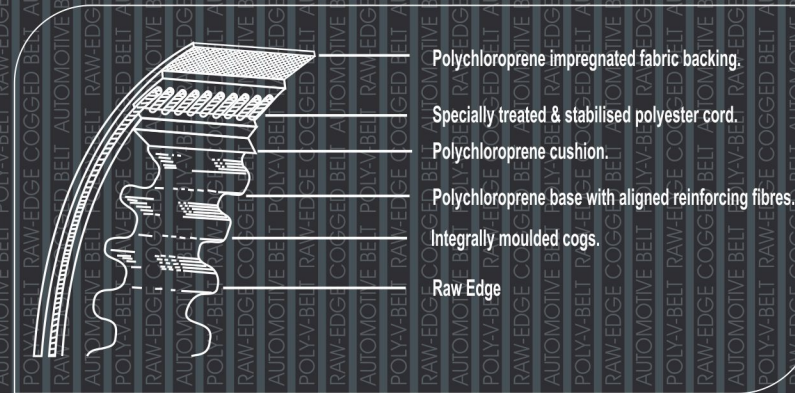

**Autoreifen belügen METABELT** are manufactured in the most modern factory with German Technology, under strict quality control with support of our fully equipped laboratory.

The product, as a result of vast Research & Development, and careful consideration of all aspects such as formulation, construction of belts, quality control etc. now comes to you with a commitment of complete Automotive Belt Solutions.

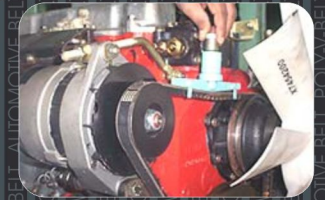

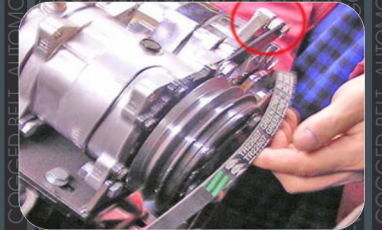

Our philosophy is to seek continuing improvement in the product. Every aspect of quality is taken care ensuring that the customer gets the best.

Our sincere and most humble thanks to all our customers & associates for imparting such high level of confidence in us.
